

Brodie Gorder Memorial Scholarship

The Brodie Gorder Memorial is given in memory of our son Brodie Gorder. Brodie was a farm kid, a 4-Her, and a wrestler. Each year we will set aside money from the Brodie Gorder Memorial Wrestling Tournament to be given to deserving chosen applicants. This scholarship is available to any deserving graduating high school or college student with a history of being diversified (a good student that makes a commitment to athletics, 4-H, music, volunteerism or any combination). The scholarship will be paid to the school of your choice in the fall semester.
