

Scholarship Description

Deadline – April 19th, 2024

Amount - \$2000

Number of Scholarships - TBD

The Ryland Christensen Memorial Scholarship is seeking high school seniors from Richland County that have made a positive impact regarding issues of bullying and/or cyber-bullying in their own school and community, stood up against bullying, or seniors who have persevered while experiencing bullying. Applicants must be currently enrolled as a full-time student, within their high school and reside in Richland County and passionately pursue bullying/cyber-bullying prevention in their school and community.

Applications are judged based on candidates' 500-word essays sharing how they have personally helped specific students who were being bullied, the things they have done in the community to stop bullying, or how they have persevered while experiencing bullying.

Please submit application and essay to your high school guidance counselor.
